Career Objective

Motivated and enthusiastic first-year B.Tech Computer Science student at ABES Engineering College, Ghaziabad, with a strong academic record (9.61 SGPA). Passionate about technology, programming, and innovation. Eager to develop practical skills in software development, web development, and data structures through hands-on projects and internships.

Projects

Amazon Frontend Clone — Web Development Project 2025 (Completed)

- Designed and built a **pixel-perfect, fully responsive** e-commerce interface inspired by Amazon using HTML5 and CSS3.
- Implemented a complete multi-section layout including navbar with search bar, hero banner, product category grid, and footer.
- Applied **CSS Flexbox and Grid** for layout structure, ensuring consistent rendering across desktop and mobile screen sizes.
- **Technologies:** HTML5, CSS3, Flexbox, CSS Grid, Responsive Design

DSA Visualizer — Interactive Learning Tool 2025 (In Progress)

- Developing an **interactive browser-based tool** to visualize data structures and algorithms in real-time using JavaScript.
- Covers key algorithms including **bubble sort, selection sort, binary search, and tree traversals** with animated step-by-step visuals.
- Implemented using **HTML5 Canvas API** for rendering animations and vanilla JavaScript for algorithm logic and interactivity.
- **Technologies:** JavaScript (ES6), HTML5 Canvas, CSS3

Technical Skills

Programming Languages: C++ (OOP, STL, Pointers, Memory Management), Problem Solving

Web Development: HTML5, CSS3, Flexbox, CSS Grid, Responsive Design, JavaScript (ES6, DOM Manipulation, Events)

Data Structures & Algorithms: Arrays, Linked Lists, Stacks, Queues, Trees, Sorting, Searching

Tools & Platforms: Git, GitHub, VS Code

Education

ABES Engineering College, Ghaziabad — B.Tech in Computer Science & Engineering 2025 – 2029 (Expected)
Semester 1: **9.61 SGPA**

Aakanksha High School, Shahjahanpur — Intermediate (Class XII) Completed 2025
Percentage: **80%**

Aakanksha High School, Shahjahanpur — High School (Class X) Completed 2023
Percentage: **87%**

Strengths

- **Quick Learner:** Rapidly adapts to new technologies; turns unfamiliar concepts into working skills in a short time.
- **Strong Problem-Solving:** Approaches challenges methodically, breaks complex problems into logical steps, and designs efficient solutions.
- **Team Player & Communicator:** Works effectively in collaborative environments, contributes ideas confidently, ensures smooth coordination.
- **Self-Motivated & Disciplined:** Consistently goal-oriented; proactively seeks opportunities to learn and improve.
- **Attention to Detail:** Produces clean, well-structured code with careful attention to UI accuracy and logical correctness.

Personal Information

Date of Birth: 11 July 2008 **Gender:** Male **Nationality:** Indian **Location:** Ghaziabad, UP – 201009 **Open to:** Remote Internships & Collaborative Projects
